

DELHI PUBLIC SCHOOL, SUSHANT LOK

NURSERY (2017-18)

Holidays are a lot of fun
For me, you and everyone!
Let's take a walk in the park
Learn about a tree and its bark
Interesting are the stories
Fairy tales of morals and glories
Melodious are the songs
Of the world to which we belong!!!

Dear Parents

Summer holidays are here to give us respite from the scorching heat and provide time for rest and leisure. Children can unwind, eat, play and simultaneously learn from their surroundings and experiences. This is the time when you get an opportunity to spend maximum time with your child. Whenever you are going out for an outing with your child, make sure you discuss about the surroundings and have an open conversation with him/her. To make the holidays exciting and to utilize this time in the most constructive way we have prepared few activities for your child.

"When I say to a parent, "read to a child", I don't want it to sound like medicine. I want it to sound like chocolate. " — Mem Fox

Reading is a wonderful way to bond with your child.

It instils the love for books at an early stage.

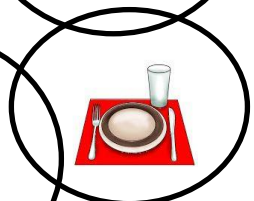

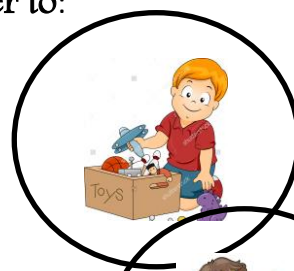

We recommend a few books for you to read with your child everyday.

- Bubbles' First Storybooks (age group 2-6 yrs Sterling press)
- Spot Stays Overnight (Puffin books)
- The Little Mermaid – Level 1 (Ladybird series)
- Pepper Series (age group 2-6 yrs)

Make your child independent by teaching him/her to:

- Button and unbutton the shirt
- Lay the table
- Arrange the toy shelf
- Learn to wear shoes and socks
- Learn to zip school bag

It is time to strengthen good manners and good habits, repeat the four magical words:

- Please
- Sorry
- Excuse Me
- Thank You

Motivate your child to speak small sentences in English like:

- My name is.....
- I am in class Nursery.....
- I am studying in DPS Sushant Lok
- My father's name is.....
- My mother's name is.....
- My teacher's name is.....

Art Work : Through art work children develop confidence to express their thoughts and feelings. They also develop abilities and skills that have application in many other areas of the curriculum. We have planned following art work for your child:

- Colouring Sheet enclosed: Guide your child to colour in one direction and within the black lines.
- Ice cream cone making activity with cup cake liner and coloured sheet. Make your cone beautiful by decorating it with coloured thermocol balls or stickers. Kindly note that activity should be done under parental guidance and not by the parents.

Hope you have an exciting and fun filled summer break with your little ones.

HAPPY HOLIDAYS!!!
