

PRE-PRIMARY STARS SHINE ON SPORTS DAY WITH KAPIL DEV

The Annual Sports Day of the Pre-Primary Wing of Delhi Public School Sushant Lok-Gurugram was a spectacular showcase of joy, vigour, and sportsmanship! Held on 9th March, the event, themed '*Eco Champions*', seamlessly blended the importance of fitness with a commitment to a greener future. The event saw an enthusiastic participation of over 600 students.

The excitement soared to new heights with the presence of our esteemed Chief Guest, *Mr. Kapil Dev*, former captain of the Indian Cricket Team and the legendary World Cup-winning icon. Also gracing the occasion was *Ms. Meenakshi Singh*, Pro Vice Chairperson of DPS Sushant Lok-Gurugram, DPS Kangra, DPS Kota, the Tribhuvan School-Patna, Tribhuvan College of Environment and Development Sciences affiliated to Nalanda University – Neemrana, alongside other distinguished guests and enthusiastic parents who lent their warmth and encouragement to the young participants.

The event began with a delightful welcome song, followed by mesmerizing skating performances and energetic drills. The excitement continued with a power-packed Taekwondo demonstration and thrilling races, where even parents joined in for fun-filled moments.

A heartfelt moment came when *Mr. Kapil Dev*, in his characteristic good humour and simple, relatable persona, advised the young students to understand the value of hard work. He playfully remarked that instead of asking for autographs, they should focus on reaching great heights in life so that one day they would be the ones giving autographs to the world. His words left a lasting impact, inspiring the children to aim high and achieve success through dedication and perseverance.

Praising the relentless efforts of DPS Sushant Lok's teachers, he also emphasized the role of parents in supporting educators, who shape lifelong experiences for their children.

The day was not just about sports—it was a beautiful reminder that fitness and sustainability go hand in hand, shaping a brighter and healthier tomorrow for our children and our planet. Here's to more milestones and celebrations at DPS Sushant Lok!
